SPECIAL COLLECTION TODAY - for the NATSICC APPEAL

Today, on Aboriginal & Torres Strait Islander Sunday we celebrate the contributions that our Aboriginal & Torres Strait Islander Catholic brothers and sisters have gifted to our Australian Catholic Church.

Their culture, spirituality and commitment to Jesus Christ is a shining example of God's love and wonder. We acknowledge all Aboriginal & Torres Strait Islander Elders - past, current and emerging and thank them for their care and love for this land.

From the desk of Fr. Roy:

We are very much in need of our Parish Youth

My dear brothers and Sisters in Christ, I am extremely happy to invite our youth and teens to come forward in participating our Church activities like Music, Reading, Choir and animating the Liturgy. All those who are interested in these areas please do come and speak to your Parish Priest or Stephanie Roach.

Keep in Mind:

- Our Youth is vital to helping teens integrate into the larger, intergenerational community of the church.
- Focuses on inviting those who are not already part of the church into the deeper narrative of God's plan.
- Reminds the church that teens are not marginalized members of the body, but co-creators and conspirators in the divine work of the church.

Youth at St. Joseph's church in Tranmere strive to provide:

- a safe, loving, and wholesome atmosphere for young people
- a program which helps young people become formed in their faith
- a variety of worship experiences that help young people connect with God and one another
- teaching about the Catholic expression of Christianity
- a means for young people to develop their individual prayer and spiritual life
- assistance for young people in developing values, ethical norms, and a sense of Christian community
- interaction with adults who authentically model the Christian faith
- activities which involve fun and the building of sense of worth

My hope is that we are raising young people who are committed to Christ, committed to the Episcopal Church, and have the Christian Leadership experience to make a difference.
