

National Vocations Awareness Week

Today is the feast of St John Vianney, the patron saint of priests. Today might be a good opportunity to pray for your priests today in thanksgiving for their ministry and presence in your community. Next Thursday is the feast of St Mary of the Cross MacKillop, our first Australia saint. Pray for the religious who do so much in pastoral care, education, health care and many other ministries. Pray also that these saints may inspire many vocations to consecrated life and priesthood, especially from our families and parishes.

From the desk of Fr. Roy:
WHY SHOULD I GO FOR HOLY MASS?

Part 5

Why do we have to worship with other people?

God made us social beings. He wants us to come together in community to worship Him. Jesus said, "Where two or three are gathered together in my name, there am I" (Matthew 18:20).

What are the consequences for others if we stop going to Mass?

James Stenson points out:

Our ancestors risked persecution, even death, to be able to take part in Mass. When you have children someday, they will need the graces and strength that come from the Mass. If you fail to pass it on because of your own indifference, you will do the gravest injustice to them and to God. You have the power to snuff out, in one generation, the faith that has sustained your family for generations. This is an enormous responsibility. You will have to answer to God for it.
