

A LETTER FROM DEACON REMO PATRONI

Dear Friends,

In the book of Ecclesiastes we read that "there is a time for everything and a season for every activity under heaven" which could be paraphrased as a time for new beginnings and a time to say goodbye, to move on.

With a great degree of sadness, I confirm, that for me, after nearly ten year serving as a permanent deacon in the Hectorville and Tranmere communities it is now my time to move on and effective 2nd November, I will be reassigned to the Dulwich Burnside Communities in the Adelaide Cathedral Parish.

I have very much enjoyed and have been tremendously enriched in my pastoral ministry to you and I am extremely grateful for the friendship the respect and the opportunities you have given me. We have prayed together in the liturgies, I have been honoured to share in your significant family events, Baptisms, Confirmation, First Holy Communion, Marriages and saying our goodbyes to our loved ones. You have invited me into your homes for house blessings and I have walked with some of you on your journey of faith in the RCIA program.

These are all wonderful experiences that I will treasure as much as you do yourselves. But I am not moving far and I hope I will be able to return from time to time to again celebrate special occasions with you.

I am grateful for the support and guidance I have received from our priests, our parish administrator the professionalism of our parish secretaries over the years, mass servers and generous volunteers, especially in our home visitation, aged care and baptism formation teams, the RCIA support group, our leadership councils and the wonderful work of our St Vincent de Paul Society and Knights of the Southern Cross. To you all I say a most sincere thank you in the hope that I have been able to meet at least some of your expectations of me.

May we, in the name of God, move forward through life's journey. May God the Father always be with us, God the Son protect and watch over us, and God the Holy Spirit stand by our side as we travel through the life which has been given us. Amen.

Deacon Remo.

"DO NOT FEAR for I am with you." Isaiah 41:10

Reach out. Give life.

Next weekend our parish will be holding the annual Catholic Mission Church Appeal. This year we are invited to partner with the Church in Ghana, as they provide ongoing protection and development of children who are vulnerable.

In line with traditional beliefs, in parts of Ghana, children born with a disability, or whose mother passes during childbirth, are considered to be 'spirit children', and thus at risk of being harmed or killed. The Church in Ghana is dedicated to protecting these children and educating families to ensure every child has a chance to live a full life. Next week you will learn more about Sister Stan and the Nazareth Home for God's Children, which is leading these efforts in the diocese of Yendi.

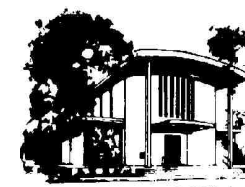

You will be offered the opportunity to personally partner with the Church in Ghana as a monthly giving partner, with all gifts specifically directed to life-saving projects for children in need – please come prepared to give generously.

Saint Mariam Theresia Chiramel Mankidiyan

Canonised in Rome 13th October 2109, by Pope Francis
Beatified By: April 9, 2000 by Pope John Paul II
April 26, 1876 - June 8, 1926
Feast Day: 8th June

The Congregation for the Cause of Saints published the decree recognizing a miracle. The religious is the founder of the congregation of the Sisters of the Holy Family. Throughout her life she has served the poor and sick of every caste and religion; she hid the stigmata so as not to draw attention to herself.

Mumbai (AsiaNews) - The Indian Church will soon have a new saint: Blessed Mariam Theresia Chiramel Mankidiyan, foundress of the congregation of the Sisters of the Holy Family. Msgr. James Pazhayattil, bishop of Irinjalakuda [deceased in 2016], said: "She is like Mother Teresa of Calcutta. Apart from the fact that they share the name, they have in common not only having founded a religious congregation - one the Missionaries of Charity, the other the Sisters of the Holy Family - but above all they have distinguished themselves for the service for the disadvantaged : poor, sick, marginalized, dying".

Born in Puthenchira (Kerala) on April 26, 1876, the blessed died at Kuzhikkattussery (also in Kerala) on June 8, 1926. Two days ago Pope Francis, receiving Card. Angelo Becciu, prefect of the Congregation for the Cause of Saints, authorized the dicastery to promulgate the decree recognizing the miracle attributed to the Indian nun, thus paving the way for her canonization.

The religious was a mystic. She spent whole days in meditation and prayer, or decorating and cleaning the church altar. But above all, declares Msgr. Pazhayattil, "like Mother Teresa of Calcutta, both sacrificed their lives for others, [showing] a beloved love for the poorest of the poor. In this way they put into practice the virtue of charity on the heroic level".

Sr. Mariam Theresia Chiramel Mankidiyan will be the fifth Indian saint. Throughout her life she kept the stigmata secret, so as not to attract attention. Her entire existence was tormented by demons and she offered her sufferings for the remission of the sins of the world. She led a life of austere penance, continuing to visit the sick and the poor of all social and religious extractions until her last days.

Others being canonised with Maria Teresa Chiramel Mankidiyan:

John Henry Newman (21 February 1801 – 11 August 1890), English Cardinal, originally an Anglican Priest who converted to Catholicism.

Giuseppina Vannini (7 July 1859 – 23 February 1911), was an Italian Roman Catholic professed religious who became a Camillian and established – alongside Luigi Tezza – the religious congregation known as the Daughters of Saint Camillus.

Dulce Lopes Pontes (26 May 1914 – 13 March 1992) was a Brazilian Catholic Franciscan Sister who was the founder of the Obras Sociais Irmã Dulce also known as the Charitable Works Foundation of Sister Dulce.

Margarita Bays (8 September 1815 – 27 June 1879) was a Swiss Roman Catholic member of the Secular Franciscan Order. She worked as a seamstress and also served as a catechist. She lived a simple life as a Franciscan and adapted the tenets of the order's charism into her own life and social apostolate. This became even greater after she was cured of bowel cancer on 8 December 1854 (when a Marian dogma was proclaimed) and she took this as a sign of greater service to both God and Neighbour.
